

  

# Bus Revolution

Your input started the Bus Revolution.  
Your feedback will keep it rolling.

The **updated draft** of the SEPTA Forward: Bus Revolution Draft Network is here!

Thanks to your comments, we have been working to revise the Draft Network, to address your concerns and make the new bus network more useful for more people. This spring, we will be holding another series of Bus Revolution engagement events—including in-person Community Meetings, Open Houses, virtual Community Conversations, and pop-ups with our Project Bus at Transportation Centers and other busy locations in the region—beginning with the virtual Transit Talk detailed below.

**Upcoming Event: Transit Talk - Updated Draft Network**  
**Monday, March 20th, 2023, from 6:30 – 7:30 pm (via Zoom Webinar)**

During this Transit Talk, we will:

- Share the Updated Draft Network
- Highlight some of the key changes from the initial Draft Network released in October 2022
- Preview what to expect for the next round of public engagement in Spring 2023
- Respond to questions

Register now at the link below!

Please note that live subtitles will be available for you to turn on during the meeting. If you would like to request a language interpreter, please email your request to [busnetwork@septa.org](mailto:busnetwork@septa.org), providing at least 7 days notice (by 3/13/23).

Thank you again for your interest and participation in the SEPTA Forward: Bus Revolution project. We look forward to sharing our updated draft bus network with you on March 20th and your continued feedback.

—The SEPTA Bus Revolution team

**About Bus Revolution and SEPTA Forward:**

*Bus Revolution is a comprehensive redesign of SEPTA's entire bus network to make buses more reliable, efficient, and simpler to understand and use. This project is a key part of the Authority's strategic plan, [SEPTA Forward](#), and our efforts to revamp our services and better connect people across the region.*

*Together with other SEPTA Forward projects, such as the Rail Transit Wayfinding Master Plan and Trolley Modernization, Bus Revolution is a game changing effort to proactively align transit services with the needs of a growing, changing region. Changes to the bus network will begin to be implemented in 2024.*
