

We want to hear how you travel around the region!

If you live in a low-income or community of color that has been impacted by transportation projects, we want to hear about your experience driving, biking, or walking around the Philadelphia region.

DVRPC is recruiting participants for a **PAID focus group** to discuss the impact of transportation projects affecting your communities and daily lives.

JOIN DVRPC'S FOCUS GROUP

Online and in-person options

FREE dinner provided for in-person option

Minimum \$100 stipend for your participation
