

Tangled Title Program

Resolving Tangled Titles in Philadelphia

Join us for a Tangled Title Service Area Briefing

Tangled title describes problems related to the legal ownership of real estate. If you live in a home and consider yourself the homeowner but your name is not on the deed, you may have a tangled title. This often occurs when a relative passes and an estate is not probated.

Stakeholder agencies are collaborating with legal services to address existing tangled titles and bring residents in our community the resources and legal assistance that they need. We are also working to prevent new tangled titles from arising by significantly expanding estate planning services.
