

SEPTA BUS

New Bus Network

**More frequent service. Simpler routes.
Better access, every day.**

Starting this August, SEPTA will roll out changes to our bus network that will offer more consistent and frequent service, more direct routes and improved connections. SEPTA's New Bus Network redesigns service around today's travel patterns, putting buses where riders need them most.

In-Person Open Houses

Stop by at your convenience to talk with SEPTA staff about bus route changes coming to your neighborhood.
