

OCIYN @ PHA-Vaux Community Building

Our Closet In Your Neighborhood (OCIYN)

OCIYN provides free groceries and clothing, as well as the opportunity to speak to a qualified social worker about possible benefits or resources.

This mobile program brings basic needs and support directly into under-resourced communities in an environment where all children, families, and individuals are treated with dignity and respect.

Each OCIYN event is held at a community partner host site across the Greater Philadelphia region.

OCIYN will be partnering with the Philadelphia Housing Authority's Sharswood Choice Neighborhood Initiatives (CNI) team and PowerCorp PHL to bring free clothing, food, and social services support to the PHA-Vaux Community Building. Additional resources will be available.
